

“Why do people like Stockbridge Presbyterian?”

I believe that there are many things that make Stockbridge Presbyterian Church a strong church. I interviewed elder Kim Seal and looked at the church website and found out a few things about this church. All the things that I learned helped me understand why the church at the bridge is still a very strong and lively church.

Since the beginning of the churches history, they have focused on the things that are really important to people and the community around it. They focused on worship, charity, and education. Those are just a few examples that still exist today. These things and many more show people that this church really cares about them. This church has things for all ages. They have activities from vacation bible school to the Gold Rush Gang. This shows that they also like a little fun.

All these things mentioned come together to form a church that is serious about worship, yet fun at the same time. These facts keep people interested and excited about church. I believe that this is why Stockbridge Presbyterian Church is still and always will be a strong church at the bridge.
