**UPDATES:** The Worship Committee would like your help in staying current with our prayer requests. Unless otherwise indicated, names will be placed on our "Prayer Concerns" list for about four weeks. Updates may be called into the office, indicated on one of the yellow prayer cards & marked "Update" and given to an usher, or emailed to the church office. Please note that the list is updated at the beginning of each month to reflect the current and previous months only.

**PRAISE REPORT:** Lisa has come through her 8 hour surgery and will be in ICU for the next several days. The surgeon thinks he got all the cancer. The mass was as big as a baseball. They had to take more of her intestines than they had expected. She has a feeding tube to her stomach. If there is any leakage, they may have to give her a colostomy bag. These are normal issues in her situation. Thanks to God she is through her surgery safely. Thanks to each of you for your prayers. Please continue to pray for Lisa in her recovery. Many blessings and love, Janet Turner
